Quite remarkably – apart from locally produced books on South Africa and Kenya – Bradt published the first guidebook to Africa. That hiking guide, Backpackers' Africa, was published in 1977 and went into four editions, running parallel with Bradt's growing series of detailed books on the most visited countries in the region. Our list of guides to both popular and 'difficult' countries covers over 70% of the African continent, and most of these 40 or so guides are the only single ...
