### Over the Range | Official Samsung Support

When installing an "over range" Samsung Microwave you must have between 30 and 36 inches of space between the cabinets over your stove. Without this space, your microwave oven will not bolt into place. Samsung microwaves can vent to the outside like your existing range hood does, or it can vent back into the room.

### How to Install a Samsung Microwave | Hunker

Samsung requires the installation of an anti-tip device for any free-standing or slide-in electric or gas range. Our Delivery provider will not leave the unit in the kitchen without attaching the anti-tip device. Installation of the anti-tip device requires that small holes be drilled in the floor or wall behind the range.
